Co. founder and CTO

I am the Chief Technologies of Officer at Innova technology, Innova technology, is an tech company that is innolved in wide range of IT services which includes but not limited, App development, database management, graphic design and IT consultancy. My role and responsibilty as the CTO is to supercede everything that bothers on technologies, provision of tech resources etc.

2023 - Present
Read to Lead | Dixville Township

Instructor

Develop and deliver comprehensive lesson plans for Introduction to Computer course, catering to diverse groups of students with varying levels of technical knowledge. Instruct students on the fundamentals of computer hardware, software, operating systems, and applications, providing clear explanations and real-world examples. Facilitate hands-on lab sessions and practical exercises to reinforce theoretical concepts, encouraging active learning and fostering a deeper understanding of computer technologies.

2019 - 2020
Saglem Africa Inc | Du-Port Road

Home Sale Manager

During my stay at Saglem Africa Inc, I worked as a Home Sale Manager at Saglem Africa, a leading mineral water company dedicated to providing high-quality drinking water to households across the region. In this role, I have been responsible for managing and overseeing the home sales division, ensuring efficient operations and maximizing sales revenue. As the Home Sale Manager, I have played a crucial role in developing and implementing strategies to increase market penetration and expand the customer base
